

Make a difference!

Volunteer some of your time to help a family get some money back from the IRS by becoming a certified Tax Preparer.

By just donating one hour of your time a family could claim up to \$5,659 through the Earned Income Tax Credit. In the past, within Newark alone \$7.6 million were uncollected because families did not know about it. With your help we can help hard-working families with incomes less than \$40,000.
